MATRIX
Bathrooms & Heating

Bathrooms Redefined, Excellence Delivered

Matrix Bathrooms & Heating are leading distributors of bathroom and heating products to retailers nationwide. Established in 1999, we are a 100% Irish-owned, family-run business with a strong reputation for quality and service.

Our centrally located distribution centre allows us to efficiently supply customers across Ireland, supporting our position as one of the country's leading bathroom and heating distributors.

We offer a modern, carefully curated range of high-quality products. Each item is thoughtfully designed and developed using premium components, delivering a luxury finish across the entire collection. With options to suit every style and budget, Matrix Bathrooms & Heating provide solutions for projects of all sizes.

Contents

Shower Enclosures	2
Wetroom Panels	18

Baths	36
Bathroom Furniture	42
Mirrors	86
Taps & Showers	93
Bathroom Accessories	121
Shower Trays	129
Bathroom Extras	137
Heating	142
Specifications & Notes	156

All prices are recommended retail and include VAT at 23%

The prices and specifications contained within this brochure are for informational purposes only. Our design and development team are constantly working to improve all our products, therefore are subject to change without prior notice. Matrix Bathrooms & Heating cannot guarantee that the illustrations in our brochure are in all cases identical with goods supplied.

Please Note: Returns incur a strictly administered restocking charge, and opened products will not be accepted.

All sizes are in millimetres.

Shower Enclosures

All Matrix shower enclosures, wetroom panels & bathscreens are now covered by XProtect Easy Clean Glass Treatment.

This will help prevent the built-up of soap, dirt & limescale making the glass easier to clean.

Shower Trays & Drains

Slim Shower Trays

Matrix slim shower trays are available in a combination of shapes and sizes.

They are a low profile tray standing just 40mm high and include a 90mm high flow waste and trap which incorporates a chrome cover. With ABS capped acrylic cover and a stone powder mixed resin, the slim tray has ultimate strength and rigidity.

All Matrix shower trays have a Class 1 CE Certification.

Please note waste positions as shown below
Easy-plumb panel & leg options also available

Easy Plumb - Leg & Panel Kit

Easy-Plumb shower trays are raised up on feet. This allows for easy fitting of the waste drain pipe. Since the waste drain pipe can be easily fitted under the shower tray, it can solve tricky installation issues that can arise due to the positioning of joists, etc. Once the waste pipe is fitted and the tray installed, removable panels are then fitted. As these panels are removable, easy access to the drain pipe is possible.

The easy plumb system is available on all slim shower tray sizes.

(Stated sizes are +- 5mm tolerance)

Electric Towel Warmer Installation:

Fill the towel rail by removing one of the top plugs and fill it with water only allowing around 10% of the height for expansion when the water gets hot.

A combination of 75% water and 15% corrosion inhibitor (Oxypic - see pg.153) is recommended.

Sahara Electric Radiators

NEW

Code	Size mm (h x w)	Colour	Watts	Price
SAHV1639	1600 x 392	White	1000	€419.00
SAHV1660	1600 x 613	White	2000	€566.00

Sahara Vertical Features:

- * Aluminium Body
- * Class I
- * Sense ambient temperature
- * Digital Thermostat 7 - 30°C
- * 220~240V
- * 50~60Hz
- * IP24
- * Plug & Go Installation
- * 1.2M white straight cord with plug

Functions of Thermostat:

- * Comfort Mode
- * Economy Mode
- * PROG Weekly Program
- * Anti-freeze Mode
- * Boost Mode
- * LST Mode
- * Holiday Mode
- * Open Window Function
- * Child Lock Function
- * Remote WIFI access through SmartLife app

Oxypic - Leak Sealer

Oxypic works to keep the heating system at maximum efficiency year after year, it works against corrosion, scale, oxide sludge and expels air from the water as it circulates, all this from the one additive. Oxypic also continues to circulate in the water to seal further potential leaks. Its magic, no need to worry which of several complex additives to use. Use Oxypic for the lot. It also conforms to BS1486:1978 and BS7593:1992.

Oxypic seals leaks in all metal boilers and pipework including threaded joints, it must be understood however that the metal itself must be of sufficient substance for the Oxypic to make the repair. It will therefore not repair leaks in boilers or pipework worn thin with age.

Oxypic will also seal leaks on plastic pipework according to tests made over a reasonable period of time. However we cannot yet give an unconditional guarantee on plastic pipework. If you do have a problem on plastic pipework please contact us.

...And after OXYPIC seals the leak, it continues to work expelling air from the water and reducing boiler noise - thereby guarding against any future leaks, scaling and rust.

Code	Description	Price
05OXY	Oxypic 500ml bottle	€87.00
